UMBRELLA'S

BLUNT UMBRELLA

The BLUNT Metro umbrella is compact, convenient, collapsible, and perfectly sized to provide excellent coverage without taking up too much street space. The canopy opens automatically with the push of a button and the steel frame is designed to withstand winds of up to 88km/h. All BLUNT umbrellas feature patented tips which open like miniature umbrellas within pockets at the canopy edge to reinforce the umbrella. They also create even tension across the canopy and give BLUNT umbrellas their highly recognisable trademarked shape.
